STATEMENT OF ACTUARIAL OPINION

Statement of Actuarial Opinion

I, A. Kirk Twiss, am associated with the firm of Reden & Anders, Ltd., and am a Member of the American Academy of Actuaries. Reden & Anders, Ltd. has been retained by Memphis Managed Care Corp. (MMCC) with regard to claim liabilities and related items. I meet the Academy qualification standards for rendering the opinion and I am familiar with the valuation requirements applicable to MMCC.

I have examined the actuarial assumptions and actuarial methods used in determining claim liabilities listed below, as shown in the quarterly statement of MMCC, as prepared for filing with state regulatory officials as of December 31, 2006:

Claims Unpaid (restated April 2002) (Page 3, Line 1)	\$0
---	-----

I have relied on listings and summaries of claims and other relevant data, as prepared by MMCC. I relied on James Proctor, CFO for the accuracy of the data as expressed in the attached statement. In other respects, my examination included such review of the actuarial assumptions and actuarial methods used and such tests of the actuarial calculations as I considered necessary.

I have not reviewed the financial position of any party related by contract to MMCC. I have assumed that such parties are in a financial position to meet all liabilities resulting from such contracts.

In my opinion, the amounts carried in the balance sheet on account of items identified above:

1. Are in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
2. Are based on actuarial assumptions which produce reserves at least as great as those called for in any contract provisions and appropriate to the purpose for which the Statement was prepared;
3. Meet the requirements of the insurance laws and regulations of the state of Tennessee and are at least as great as the minimum aggregate amounts required by Tennessee;
4. Make a good and sufficient provision for all unpaid claims of the organization under the terms of its contracts and agreements;
5. Are computed on the basis of assumptions consistent with those used in computing the corresponding items in the annual statement of the preceding year-end; and
6. Include provision for all actuarial items which ought to be established.

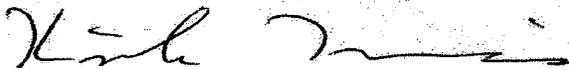

ANNUAL STATEMENT FOR THE YEAR 2006 OF THE MEMPHIS MANAGED CARE CORPORATION

STATEMENT OF ACTUARIAL OPINION

I have reviewed the Underwriting and Investment Exhibit, Part 2B. The schedule was prepared consistent with *Section 3.6, Follow-Up Studies* contained in Actuarial Standard of Practice No. 5, *Incurred Health Claim Liabilities*.

The reserves and related actuarial items identified above make adequate provision for the anticipated cash flows related to the contractual obligations and expenses of MMCC, when considered in conjunction with the assets held by MMCC with respect to such reserves and related actuarial items, including, but not limited to, the cash flows on such assets and the considerations anticipated to be received under such policies and contracts.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated by the Actuarial Standards Board, which standards form the basis of this statement of opinion.

A. Kirk Twiss
Fellow, Society of Actuaries
Member, American Academy of Actuaries
